

Call for Entries: **SCINEMA** Festival of Science Film presents
a national student short film competition

LOOK! UP IN THE SKY

Make a short film about
space or astronomy to celebrate
2009, the International Year of Astronomy

Winners in our junior and senior sections receive a trip to some of Australia's key astronomy facilities, including The Dish in Parks, Siding Spring, and the Anglo-Australian Observatory in Coonabarabran, NSW

Entries close **April 30, 2009** for more information visit www.scinema.com.au
